2016 Year End Summary Report

Summary of Awards and Payments to Disadvantaged, Minority and Women-Owned Vendors, Contractors and Consultants

Office of Business Development & Equal Opportunity

The DRPA is an Equal Employment Opportunity Employer
April 2017

Dear Business Community:

On behalf of the Office of Business Development & Equal Opportunity (OBD&EO), I am pleased to present our 2016 Summary of Awards and Dollars Paid to Disadvantaged, Minority, Women, and Veteran-owned Businesses. The report summarizes prime and subcontract awards and tracks dollars paid to M/W/DBE and VOBs in 2016.

Since 1994, the year the Authority implemented its non-discrimination programs, we have paid more than $323 million to certified M/W/DBEs and VOBs. This progress would not be possible without the support of our Board of Commissioners, led by Chairman Ryan N. Boyer and Vice Chairman Jeffrey L. Nash. We have also appreciated the unwavering support of John T. Hanson, Chief Executive Officer of DRPA and President of PATCO.

We also want to recognize the steadfast support we receive from our partners in the Engineering Division and the Purchasing and Contract Administration Departments. Our community of world-class stewards is deeply committed to the Authority’s Stewardship Mission and Vision, and our Shared Values, which include “Diversity & Inclusion” and “Community Stewardship”.

Over the years, targeted outreach efforts have proven to be the cornerstone of the success of our non-discrimination programs. In 2016, some of our outreach efforts included, but were not limited to:

- Representing the Authority at 13 expos in New Jersey, Pennsylvania, and Delaware;
- Participating on numerous panel discussions with representatives from peer agencies and organizations giving us the opportunity to provide the business community with information about “how to” do business with DRPA and PATCO;
- Publishing a newsletter – News Alert – which is disseminated quarterly to approximately 1,500 subscribers;
- Issuing e-alerts that notify subscribers about upcoming contract and purchasing opportunities; Facilitating time for M/W/DBEs and VOBs to make brief introductions during pre-bid and pre-proposal meetings to likely bidders and proposers; and
• Hosting two informational sessions entitled “Building Bridges to Elevate Business”. After the events, several attendees shared the following feedback:
  o “Simply hosting the event made us all feel positive that DRPA/PATCO is serious about diversity and that we have real opportunity to obtain business.”
  o “I appreciated the personal attention delivered.”
  o “Great. DRPA does an excellent job in putting together these events.”

To learn more about upcoming contract and procurement opportunities and outreach events, or enroll in our Instant E-Alert Notification Program, or to receive our quarterly newsletter please either visit our website at www.drpa.org/obdeo or call our office at (856) 968-2270.

Sincerely,

Toni P. Brown

Policy Statements
TO: All Authority Employees
FROM: John T. Hanson, Chief Executive Officer, DRPA
        President, PATCO
SUBJECT: Equal Employment Opportunity (EEO) Policy Statement
DATE: January 3, 2017

The Delaware River Port Authority and the Port Authority Transit Corporation (“the Authority”) have a strong commitment to our employees and the community we serve. As an equal employment opportunity employer, we strive to have a workforce that reflects the community we serve. It has been the longstanding commitment of the DRPA and PATCO (The Authority) to ensure employees and others working at or visiting our facilities are treated in a dignified, respectful and non-offensive manner. The Authority strives to provide a work environment that is inclusive and welcoming to all and free from harassment in any form. In keeping with this commitment, all employees were trained by Mary M. Tiernan, Program Analyst from the Equal Employment Opportunity (EEOC), Philadelphia District Office between August 2015 and December 2015. All employees will be trained again beginning in 2017.

Equal Employment Opportunity continues to be an important part of Authority personnel policies. The Authority actively promotes this policy and complies with applicable governmental laws and regulations. We will continue to recruit, hire, upgrade, train and promote, transfer, demote, layoff, terminate, determine rates of pay and other forms of compensation, and treat employees in all job titles without regard to a person’s race, color, religion, sex (including gender identity, sexual orientation, and pregnancy), national origin, age, veteran status, genetic information, disability or other protected group characteristic. Employment decisions will continue to reflect our commitment to furthering the principles of the Authority’s Equal Employment Opportunity policy. We remain committed to taking affirmative steps to identify problem areas, and develop strategies to ensure equal employment opportunities for all qualified individuals.

Full equality of opportunity and an environment which is harassment-free is an absolute right of every employee and applicant, for employment. Assurance of these rights is the responsibility of every chief, director, manager and supervisor. Pursuant to the Authority’s Shared Values, and in particular the Shared Value of “Diversity and Inclusion;” all management and supervisory will be responsible for holding all employees to the standards set forth in the Authority’s EEO policies, and will be evaluated based on the success of the EEO Program in the same manner that the Authority evaluates their performance in other Authority programs.

As the Chief Executive Officer of DRPA and President of PATCO, I maintain overall responsibility and accountability for the Authority’s compliance with its EEO Policy and Program. To ensure day-to-day management, including program preparation, monitoring, and complaint investigation, I have appointed Toni P. Brown, Chief Administrative Officer as the Authority’s
EEO Officer. Ms. Brown reports directly to me and acts with my authority with all levels of management, labor unions, and employees.

All Authority executives, management, and supervisory personnel, however, share in the responsibility for implementing and monitoring the Authority’s EEO Policy and Program within their respective areas and will be assigned specific tasks to ensure compliance is achieved. The Authority will evaluate the performance of its managers and supervisors on their successful implementation of the Authority’s policies and procedures, in the same way the Authority assesses their performance regarding other Authority goals.

The Authority is committed to undertaking and developing a written nondiscrimination program, including policies, practices and procedures, with goals and timetable, to which the Authority is committed and which are available for review. For more information about the Authority’s EEO Program please contact Ms. Brown by telephone at (856) 928-2270 or by email at tpbrown@drpa.org.

Authority employees and applicants for employment may report any concerns regarding matters covered by this policy or file a charge or complaint of discrimination with Toni P. Brown at (856) 968-2270 or to Raymond Santarelli, General Counsel, at (856) 968-2407. Ms. Brown and Mr. Santarelli both have offices at One Port Center. Retaliation against an individual who files a charge or complaint of discrimination, participates in an employment discrimination proceeding (such as an investigation or lawsuit), or otherwise engages in protected activity is strictly prohibited and will not be tolerated. The Authority is committed to providing reasonable accommodations to applicants and employees who need them because of a disability or to practice or observe their religion, absent undue hardship.

As you know, on May 20, 2015 the Board, under the leadership of Chairman Ryan N. Boyer and Vice-Chairman Jeffery L. Nash established a Diversity and Inclusion subcommittee to reaffirm the solid support for equal employment and contracting opportunities for all. We believe that equal employment opportunity supports the achievement of Authority’s mission, vision, shared values and goals. We reaffirm this pledge of fair and equal opportunity and look forward to your continued support of this important policy.

I am personally committed to a workplace that acts upon its daily responsibility to treat all employees and applicants for employment with dignity and respect, as well as equitably under the guidelines of our EEO Policy and Program.

Rev 1/2017
Delaware River Port Authority
Policy Statement - 2017
(26.1, 26.23)

The Delaware River Port Authority ("DRPA" or "the Authority") opposes unlawful discrimination of any kind. The DRPA is an Equal Employment Opportunity Employer/Contractor, and is firmly committed to providing equal employment and business opportunities for all persons.

The DRPA receives federal financial assistance from the Department of Transportation, Federal Transit Administration (FTA), and as a condition of receiving this assistance, the Delaware River Port Authority has signed an assurance that it will comply with 49 CFR Part 26. Accordingly, the DRPA has established a Disadvantaged Business Enterprise (DBE) program in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR Part 26. Our DBE program is narrowly tailored in accordance with applicable law.

On February 28, 2012, pursuant to the Final Rule set forth in Federal Register [76 FR 5083 - Disadvantaged Business Enterprise: Program Improvement], DRPA submitted an amendment to its DBE Program, entitled SBE Participation Element to the Federal Transit Administration. The FTA approved the DRPA’s proposed SBE Participation Element on September 17, 2012, finding that the Authority’s SBE Participation Element meets the requirements set forth in the DBE regulations.

Toni P. Brown, Chief Administrative Officer at the Delaware River Port Authority, serves as the Disadvantaged Business Enterprise Liaison Officer (DBELO) for the Delaware River Port Authority. As the DBELO, Ms. Brown is responsible for implementing all aspects of the Authority’s DBE program. Ms. Brown is supported in this effort by full time staff in the Office of Business Development and Equal Opportunity. Implementation of the DBE program is accorded the same priority as compliance with all other legal obligations incurred by the DRPA in its financial assistance agreements with the federal DOT.

This policy statement has been disseminated to the Board of Commissioners and appropriate departments throughout our agency. We include the statement in bid and proposal documents, and also distribute copies of same to bidders and proposers at all pre-bid/pre-proposal meetings for FTA-assisted projects. The statement is published in our quarterly newsletter, sent via instant e-alert to subscribers and can also be found on our website. Information about our DBE program may also be obtained by contacting the Delaware River Port Authority’s Office of Business Development & Equal Opportunity at (856) 968-2270 or (215) 218-3750, extension 2270, or at www.drpa.org/obdeo.

Year 2016
Summary of General Engineering Consulting (GEC) Awards to Minority and Woman-Owned Businesses
General Engineering Contracts

The Delaware River Port Authority Capital Program includes a variety of needs involving diverse engineering disciplines. Staff time and expertise are not always available to handle the number and variety of projects requiring attention. In order to supplement in-house engineering staff, the Engineering Department retains general consulting services in multiple areas: civil and structural engineering, construction monitoring and inspection, electrical and mechanical engineering, environmental and geotechnical engineering, and traffic and transportation engineering. The general engineering consulting services agreements allow the Authority to accomplish engineering work to advance our capital program. Work assigned under these agreements is on a Task Order basis and involve relatively small projects and short-duration activities. These approved consulting services are required to give the same consideration to the Authority’s MBE / WBE program.

Year 2016
Summary of Purchase Orders Awarded to Minority and Women-Owned Vendors
In the pages following this index you will find a list of minority, woman, and veteran owned businesses that supplied some commodity or service to the DRPA during fiscal year 2014. Next to each vendor's name we have noted the "category" of supplies that the vendor provided along with the dollar value of same. We have developed this index to help you better understand what types of items are included in the broad categories recorded next to each vendor's name. We hope this additional information will provide you with a better sense of the types of commodities the DRPA solicits throughout the year, enabling you to better market your firm's products to our Purchasing Department.

**Office Supplies**- This category includes, but is not limited to the following items: computer supplies, correcting and duplicating supplies, envelopes.

**Safety Supplies**- This category includes, but is not limited to the following items: body protective items (i.e., earmuffs, gloves, and safety vests), first aid kits, miscellaneous safety supplies (i.e., fire extinguisher cartridges, safety walk tape), traffic aids and vehicle safety (i.e., flares, flags, and traffic cones).

MISSION STATEMENT
As stewards of public assets, we provide for the safe and efficient operation of transportation services and facilities in a manner that creates value for the public we serve.

VISION STATEMENT
Together we are world-class stewards of public transportation assets. Working collaboratively across all business units, we operate, maintain, improve and protect transportation infrastructure for the benefit of the citizens we serve throughout the Greater Philadelphia Region. We are committed to building credibility, earning public trust and creating public value.

OBD&EO VISION STATEMENT
We are a group of committed individuals dedicated to pursuing equal employment and contracting opportunities for everyone.
