Important Information About P-Cards

DRPA/PATCO administer a program whereby authorized employees can use an Authority-issued credit card to purchase most small dollar equipment, supplies and services in accordance with DRPA/PATCO procurement policy. Purchases made with these cards include uniforms, safety equipment, landscaping products, electrical supplies and automobile parts, among many other items. Cardholders can order supplies or services in person or via a supplier’s website.

DRPA/PATCO authorized personnel utilize this P-Card program to provide a more efficient method to make small purchases for official DRPA/PATCO business purposes. This purchasing practice reduces paperwork, administrative costs and expedites payment to vendors by allowing the Authority to take advantage of existing credit card infrastructure to make business-to-business electronic payments for a variety of business expenses.

The p-card program is also an important part of the Authority’s vendor diversity efforts. Authority employees are authorized to use the card at community businesses who supply the goods and services employees need thereby increasing the number of Authority dollars spent at local minority- and woman-owned small businesses. If your business accepts credit cards and you would like your company information listed on the P-card Vendor Directory, please send an email to l.abbott@drpa.org.

About Adroit Consultants, LLC

Established in 2014, Adroit Consultants, LLC is a consulting ﬁrm that provides construction management services to a broad client base, especially in the ﬁelds of project planning and scheduling, project control, construction claims, value engineering, and training.

In the ﬁeld of project management, Adroit delivers effective solutions that help the clients successfully execute projects and minimize deviations from plans to maximize revenue and achieve their goals. In the ﬁeld of construction management, Adroit provides effective and knowledgeable construction management services that ensure the clients’ projects are set for success from concept to completion. Adroit also provides construction claims, claims administration, and expert services that facilitate successful management and resolution of construction claims.

Some of the recent services Adroit has provided include project scheduling services for two large NYCT station rehabilitation projects in the Bronx, construction supervision services for an NYCT project in Queens, project scheduling support, delay analysis, and construction claims services in support of a prime contractor’s NYCT transit project in Brooklyn, as well as preparing and investigating various construction claims for a number of clients. Adroit’s primary resource is its competent, experienced, and well-educated professionals who have not only been successful in implementing projects but also have proven their expertise in publishing industry studies and guidelines. As an example, Adroit’s experts have authored a number of scholarly articles and industry guidelines, including three AACE International recommended practices, including 91R-16 schedule development, 89R-16 management summary schedule, 92R-17 analyzing near-critical paths, and PS-19 linear scheduling method. In 2016, two of Adroit’s principal consultants received the AACE 2018 Technical Excellence Award.

Adroit is a WBE certiﬁed ﬁrm (by the Empire State, City of New York, and State of New Jersey). You can ﬁnd more information about Adroit and the services it provides at: https://www.adroitprojectconsultants.com Telephone Number: (201) 366-3522; Email: Info@AdroitProjectConsultants.com

Ariba Update

- We are happy to announce that we have successfully completed the first phase of our Ariba deployment! As of April 29, 2019, Ariba became the Authority’s primary solution for all vendor management, contract administration and public sourcing activities.
- We are using the Ariba Network to increase competition and transparency within our vendor communities as well as to improve controls and value for all stakeholders.
- In order to be considered for any procurement with DRPA or PATCO, you must register on the Ariba Network and complete the DRPA/PATCO Supplier Registration questionnaire.
- Important! If you already have an Ariba account, you cannot just log into your existing account and find the DRPA Supplier Registration Questionnaire. You must log in with your existing credentials via an invitation link from DRPA. Logging into Ariba via the link in your invite email will connect your account to DRPA’s, and give you access to complete the Registration questionnaire.
- If you are new to Ariba, when signing up, you will be required to use your email (the email that the invitation email was sent to) to create your Ariba login. If you are not the correct person to be completing the DRPA questionnaire, let us know, and we can send the invitation directly to the correct person.
- Once logged in to your Ariba Network account, you should be directed to the DRPA Supplier Registration Questionnaire. Here you will provide DRPA/PATCO information about your business. Once completed, submit the questionnaire for approval. Once approved, you will be considered a Registered/Approved Supplier for DRPA/PATCO.
- Important! Please verify that the information provided on the Registration Questionnaire matches the information on your W-9. Discrepancies between your Questionnaire and W-9 may result in registration delays.
- Once approved, you will be considered a Registered/Approved Supplier for DRPA/PATCO and be able to participate in sourcing events!
- Note: when participating in DRPA sourcing events, you will need to log in under the same Ariba Network ID (“ANID”) that you used to Register. It can be a different user, but must be under same ANID.
- If at any time you have questions regarding Registering with DRPA, please contact: vendors@drpa.org
- If at any time you are having issue logging into Ariba or with the Ariba system in general, contact the Ariba Help Desk at 866-218-2156.
- To learn more about DRPA/PATCO’s move to Ariba, visit: www.drpa.org/procurement.

JOB ORDER Contract
Attention M/WBE construction companies who are ready for the opportunity to bid as prime contractors! Check out the DRPA website for information about the Job Order Contracts for the northern & southern bridges. These ‘on-call’ contracts are a smaller scale than regular capital projects and a great stepping stone for companies who have done subcontracting work in the past. Find bidding instructions and important dates at http://www.drpa.org/procurement/current-purchases-and-bids.asp

Delaware River Port Authority
Policy Statement - 2020
(26.1, 26.23)

The Delaware River Port Authority ("DRPA" or "the Authority") opposes unlawful discrimination of any kind. The DRPA is an Equal Employment Opportunity Employer/Contractor and is firmly committed to providing equal employment and business opportunities for all persons.

The DRPA receives federal financial assistance from the Department of Transportation, Federal Transit Administration (FTA), and as a condition of receiving this assistance, the Delaware River Port Authority has signed an assurance that it will comply with 49 CFR Part 26. Accordingly, the DRPA has established a Disadvantaged Business Enterprise (DBE) program in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR Part 26. Our DBE program is narrowly tailored in accordance with applicable law.

On February 28, 2012, pursuant to the Final Rule set forth in Federal Register [76 FR 5083 - Disadvantaged Business Enterprise: Program Improvement], DRPA submitted an amendment to its DBE Program, entitled SBE Participation Element to the Federal Transit Administration. The FTA approved the DRPA’s proposed SBE Participation Element on September 17, 2012, finding that the Authority’s SBE Participation Element meets the requirements set forth in the DBE regulations.

Toni P. Brown, Chief Administrative Officer at the Delaware River Port Authority, serves as the Disadvantaged Business Enterprise Liaison Officer (DBELO) for the Delaware River Port Authority. As the DBELO, Ms. Brown is responsible for implementing all aspects of the Authority’s DBE program. Ms. Brown is supported in this effort by full time staff in the Office of Business Development and Equal Opportunity. Implementation of the DBE program is accorded the same priority as compliance with all other legal obligations incurred by the DRPA in its financial assistance agreements with the federal DOT. As further evidence of our continued commitment to upholding regulations set forth by the FTA, the DRPA proposed an overall DBE goal of 13% (race-conscious and race-neutral split of 12% and 1%, respectively). We received FTA concurrence of our FFY 2020-2022 DBE goal methodology on August 5, 2019.

This policy statement has been disseminated to the Board of Commissioners and appropriate departments throughout our agency. We include the statement in bid and proposal documents, and also distribute copies of same to bidders and proposers at all pre-bid/pre-proposal meetings for FTA-assisted projects. The statement is published in our quarterly newsletter, sent via instant e-alert to subscribers and can also be found on our website. Information about our DBE program may also be obtained by contacting the Delaware River Port Authority’s Office of Business Development & Equal Opportunity at (856) 968-2270 or (215) 218-3750, extension 2270, or at www.drpa.org/dbdeo.
Most annual procurement for goods (non-professional services) at the DRPA are usually for periods of one (1) year with an option to renew for an additional year. At the end of the first year, assuming the vendor’s performance has been satisfactory, a DRPA Purchasing staff member will contact the vendor to request pricing information for the second year. If all conditions are in the best interest of the DRPA, the DRPA will exercise its option for a second year renewal with the vendor. At the end of the second year, the contract will be rebid on a competitive basis. For your information, we are providing you with a list of annual contracts for PATCO, along with their expiration dates. If you are interested in pursuing any of these contracts, please contact Jesse Mickel, Purchasing Agent, at PATCO at (856) 772-6913.

“WE VALUE DIVERSITY”
Ariba Update

- We are happy to announce that we have successfully completed the first phase of our Ariba deployment! As of April 29, 2019, Ariba became the Authority’s primary solution for all vendor management, contract administration and public sourcing activities.
- We are using the Ariba Network to increase competition and transparency within our vendor communities as well as to improve controls and value for all stakeholders.
- In order to be considered for any procurement with DRPA or PATCO, you must register on the Ariba Network and complete the DRPA/PATCO Supplier Registration questionnaire.
- Important! If you already have an Ariba account, you cannot just log into your existing account and find the DRPA Supplier Registration Questionnaire. You must log in to your existing credentials via an invitation link from DRPA. Logging into Ariba via the link in your invite email will connect your account to DRPA’s, and give you access to complete the Registration questionnaire.
- If you are new to Ariba, when signing up, you will be required to use your email (the email that the invitation email was sent to) to create your Ariba login. If you are not the correct person to be completing the DRPA questionnaire, let us know, and we can send the invitation directly to the correct person.
- Once logged in to your Ariba Network account, you should be directed to the DRPA Supplier Registration Questionnaire. Here you will provide DRPA/PATCO information about your business. Once completed, submit the questionnaire for approval. Once approved, you will be considered a Registered/Approved Supplier for DRPA/PATCO.
- Important! Please verify that the information provided on the Registration Questionnaire matches the information on your W-9. Discrepancies between your Questionnaire and W-9 may result in registration delays.
- Once approved, you will be considered a Registered/Approved Supplier for DRPA/PATCO and be able to participate in sourcing events!
- Note: when participating in DRPA sourcing events, you will need to log in under the same Ariba Network ID (“ANID”) that you used to Register. It can be a different user, but must be under same ANID.
- If at any time you have questions regarding Registering with DRPA, please contact: vendors@drpa.org.
- If at any time you are having issue logging into Ariba or with the Ariba system in general, contact the Ariba Help Desk at 866-218-2156.

To learn more about DRPA/PATCO’s move to Ariba, visit: www.darpa.org/procurement.

Attention M/WBE construction companies who are ready for the opportunity to bid as prime contractors! Check out the DRPA website for information about the Job Order Contracts for the northen & southern bridges. These ‘on-call’ contracts are a smaller scale than regular capital projects and a great stepping stone for companies who have done subcontracting work in the past. Find bidding instructions and important dates at http://www.drpa.org/procurement/current-purchases-and-bids.asp
Important Information About P-Cards

DRPA/PATCO administer a program whereby authorized employees can use an Authority-issued credit card to purchase most small dollar equipment, supplies and services in accordance with DRPA/PATCO procurement policy. Purchases made with these cards include uniforms, safety equipment, landscaping products, electrical supplies and automobile parts, among many other items. Cardholders can order supplies or services in person or via a supplier’s website.

DRPA/PATCO authorized personnel utilize this P-Card program to provide a more efficient method to make small purchases for official DRPA/PATCO business purposes. This purchasing practice reduces paperwork, administrative costs and expedites payment to vendors by allowing the Authority to take advantage of existing credit card infrastructure to make business-to-business electronic payments for a variety of business expenses.

The p-card program is also an important part of the Authority’s vendor diversity efforts. Authority employees are authorized to use the card at community businesses who supply the goods and services employees need thereby increasing the number of Authority dollars spent at local minority and women-owned small cards and you would like your company information listed on the P-card Vendor Directory, please send an email to t.abbott@drpa.org.

All interested subcontractors, subconsultants and suppliers are welcome to attend Pre-Bid and Pre-Proposal Meetings for DRPA projects, and briefly introduce yourselves to the contractors and consultants present. Information pertaining to these meetings is made available on our website at www.drpa.org/obdeo. Information on the project planholders and short-listed firms can be found on the Bids and Contracts section at www.drpa.org. For more information call OBD&EEO at (856) 968-2270.
