SUMMARY STATEMENT

ITEM NO.        SUBJECT: Medical Service Provider for Drug & Alcohol Testing/Training, Physical Exams and Health Screening

COMMITTEE:  Operations and Maintenance

COMMITTEE MEETING DATE: October 19, 2005

BOARD ACTION DATE: November 16, 2005

PROPOSAL: That the Board authorizes staff to negotiate an agreement with Interstate Mobile Care, Inc. of Sewell, New Jersey to provide the medical services that are required by the United States Department of Transportation (DOT) and DRPA Policies and Procedures. This is a three year contract that commences on January 1, 2006 and would not exceed $234,000.

PURPOSE: To provide the DRPA employees with the required medical screening, testing and pre-employment exams that are necessary to guarantee a safe and healthy workforce.

BACKGROUND: In order for DRPA to meet the standards established by DOT and the DRPA Policies and Procedures for medical testing and screening, the DRPA has contracted with local medical service providers. In addition to meeting the above standards, DRPA also voluntarily seeks to meet the standards set by the Occupational Safety and Health Administration. The process for renewal of the vendors was done annually and undertaken as a sole-source contract. In an effort to improve efficiency and obtain economies of scale, the decision was made to bid these services through a Request for Proposal (RFP). The RFP was posted on the DRPA website and also sent to various medical service providers in the region. Proposals were received in late August and reviewed by representatives from the Safety, Operations and Human Resource Services Departments. The review team found the most responsive and lowest bidder to be Interstate State Mobil Care, Inc. a certified Woman owned Business Enterprise (WBE) located in Sewell, NJ. Interstate Mobil Care has provided services and training to both DRPA and PATCO and is known for their strong technical skills and knowledge of the regulations.
The other bidders were:
- Ambassador Medical Services, Inc.
  Marlton, New Jersey
- HealthMark, Inc.
  Philadelphia, Pennsylvania

The following is a partial list of medical services that will be provided by Interstate Mobile Care:

- Pre-employment physicals
- On site random drug and alcohol testing for safety sensitive positions
- DOT Commercial Drivers License (CDL) physicals
- 24 on-call reasonable suspicion and post-accident testing for drugs and alcohol
- Blood lead level testing
- Hepatitis Vaccines
- Asbestos Physicals
- Flu Vaccines
- Blood Pressure, Cholesterol and Glucose Screening
