**PROPOSAL:** That the Board authorize the renewal of the DRPA and PATCO Excess/Umbrella Liability insurance policy procured through our brokers at Willis of New Jersey, Inc., for a one year term beginning August 1, 2007 through July 31, 2008.

The existing Excess Liability policy will expire August 1, 2007.

Willis of New Jersey, Inc. has marketed our program to carriers, and Willis representatives will be present at the July 18, 2007 Board Meeting to give their recommendations. Staff will provide the Commissioners with a chart summarizing the quotations received from each carrier, the carriers financial rating, policy limits and deductibles, and premium costs, on or before the July 18, 2007 Board Meeting.

**PURPOSE:** To reduce the DRPA’s exposure to risk by insuring against liability and economic loss.

**BACKGROUND:** This Excess Liability policy supplements the primary Commercial Auto Liability, and the General Liability coverage for One Port Center, parking facilities, vacant properties leased to third-parties and other properties acquired through economic development initiatives.

The expiring premium for this policy was $155,267, which provides a loss limit of $4 million. The Insurance Company of the State of Pennsylvania is the incumbent carrier for the Excess Liability policy.

A comprehensive marketing exercise was carried out during the 2006 renewal where several alternative markets were approached for quotations. The marketing exercise indicated that although markets are available, there are a limited number of carriers willing to write Public Authority type risks. Carriers that declined to offer quotes did so mainly because the DRPA risk did not fit their underwriting parameters. Other insurers did not feel that they could be competitive on this type of risk.
In view of the marketing efforts in 2006 it was decided that, for the most part, the incumbent insurers would be approached first and that other markets would be sought only in the event that the incumbent was unable to quote or that the quoted premium did not fit into DRPA’s budgetary requirements.
