SUMMARY STATEMENT

ITEM NO. SUBJECT: Renewal of Marine Insurance Program for Cruise Terminal and Public Safety

COMMITTEE: New Business

COMMITTEE MEETING DATE: N/A

BOARD ACTION DATE: July 18, 2007

PROPOSAL: That the Board authorize the renewal of the DRPA Marine Insurance Program procured through our brokers at Willis of New York, Inc., for a one year term beginning August 1, 2007 through July 31, 2008.

Willis of New Jersey, Inc. has marketed our program to carriers, and Willis representatives will be present at the July 18, 2007 Board Meeting to give their recommendations. Staff will provide the Commissioners with a chart summarizing the quotations received from each carrier, the carriers financial rating, policy limits and deductibles, and premium costs, on or before the July 18, 2007 Board Meeting.

PURPOSE: To procure required insurance in accordance with the Bylaws that will reduce the DRPA’s exposure to risk by insuring against liability and economic loss.

BACKGROUND: The Marine Program, including Marine General Liabilities, Excess Marine Liability, Hull and Machinery, and Protection and Indemnity will expire August 1, 2007. The expiring combined premiums for these policies were $67,500. Federal Insurance Company is the incumbent carrier for the Marine Program.

A comprehensive marketing exercise was carried out during the 2006 renewal where several alternative markets were approached for quotations. The marketing exercise indicated that although markets are available, there are a limited number of carriers willing to write Public Authority type risks. Carriers that declined to offer quotes did so mainly because the DRPA risk did not fit their underwriting parameters. Other insurers did not feel that they could be competitive on this type of risk.

In view of the marketing efforts in 2006 it was decided that, for the most part, the incumbent insurers would be approached first and that other markets would be sought only in the event that the incumbent was unable to quote or that the quoted premium did not fit into DRPA’s budgetary requirements.
