PROPOSAL: That the Board authorizes staff to provide support services for the MS150 City to Shore Bike Tour.

Amount: \$15,000 (estimated)

PURPOSE: To provide support services generally consisting of setting up the Woodcrest Station Parking Lot for the MS150 event and providing traffic control for participants coming to the event.

BACKGROUND: The National Multiple Sclerosis Society will hold its 30th Annual MS150 Bike Tour on September 25 and 26. For the last twenty years, the event has been hosted at PATCO's Woodcrest Parking lot. The event has national notoriety and is rated as one of the premier bike events in the country. It attracts 7000 riders and raises over \$4 million for MS research and programs. It provides more than half of the annual revenue for the regional branch of the MS Society. Planning for the event is a year long activity and the MS Society has focused all of its planning efforts and advertising with Woodcrest Station as its event venue. PATCO supplied services are key to the success of the event. It would be impossible to hold the event in 2010 if the Woodcrest Lot was not available.

It is recommended that the Board authorize PATCO to provide support service for the MS150 event on September 25 and 26 at a cost not anticipated to exceed \$15,000.
