SUMMARY STATEMENT

ITEM NO. 

SUBJECT: Consideration of Pending DRPA Contracts (Between $25,000 and $100,000)

COMMITTEE: New Business

COMMITTEE MEETING DATE: N/A

BOARD ACTION DATE: October 20, 2010

PROPOSAL: That the Board consider authorizing staff to enter into contracts as shown on the Attachment to this Resolution.

PURPOSE: To permit staff to continue and maintain DRPA operations in a safe and orderly manner.

BACKGROUND: At the Meeting held August 18, 2010 the DRPA Commission adopted Resolution 10-046 providing that all DRPA contracts must be adopted at an open meeting of the DRPA Board. The Board proposed modifications to that Resolution at its meeting of September 15, 2010; specifically that all contracts between $25,000 and $100,000 be brought to the Board for approval. The contracts are listed on the Attachment hereto with the understanding that the Board may be willing to consider all of these contracts at one time, but if any member of the Board wishes to remove any one or more items from the list for separate consideration, each member will have that privilege.

<td>BTM Capstan upgrades for the Barrier Machines at the Walt Whitman and Commodore Barry Bridges. These are the systems used by each barrier machine to pull the barrier wall segments into a placed state of tension. Without this tension, it contributes to wall alignment and movement problems, which compromises impact safety.</td>

<td>Testing of the existing standpipe systems on the Walt Whitman and Benjamin Franklin Bridges. As part of a previous Biennial Inspection, a safety audit of our facilities was undertaken. The existing manual dry fire standpipe systems on Walt Whitman and Benjamin Franklin Bridges were identified for pressurized testing to ensure they would function as intended. These pressurized tests will identify any deficiencies in the standpipe system operation for correction by bridge operations or by future contract as needed.</td>
