COMMITTEE: Operations & Maintenance

COMMITTEE MEETING DATE: September 19, 2012

BOARD ACTION DATE: October 17, 2012

PROPOSAL: That the Board authorizes staff to negotiate a purchase order contract with the firm of Signal Services to purchase thirty-one (31) Variable Speed Limit Signs for the WWB & BRB.

Amount: $249,085.00

Contractor: Signal Services Inc.
1020 Andrew Drive
West Chester, PA 19380

Other Bidders: Daktronics $258,385.00

Engineers Estimate: $288,300.00

PURPOSE: The purpose is to purchase replacement signs for thirty-one (31) Variable Speed Limit Signs located on the WWB & BRB to control the speed of the traffic at these two facilities. These signs provide speed control on the two bridges and the approach roadways at the WWB.

BACKGROUND: The signs being replaced are twenty years old. It has become difficult to repair these signs and to find replacement parts. In addition, these new signs are the more efficient LED type signs. It was recommended by DRPA Operations that these signs be replaced for these reasons.

The project was publicly advertised and bid documents were offered to the public beginning on July 30, 2012 with a bid opening date of August 16, 2012. Five (5) companies received the purchase order packages. A total of two (2) bids were received. The low responsive and responsible bid was submitted by Signal Services Inc. in the amount of $249,085.00.

Staff has completed the evaluation of bids and recommends that the contract be awarded to Daktronics, in the amount of $249,085.00 as the low responsive and responsible bidder.
