SUMMARY STATEMENT

COMMITTEE: New Business

COMMITTEE MEETING DATE: N/A

BOARD ACTION DATE: March 18, 2015

PROPOSAL: That the Board authorizes staff to negotiate a 1 year contract with Hewlett-Packard (HP) Company for an amount not to exceed $138,608.52 for the procurement of a hardware and software maintenance agreement. This purchase is provided with pricing under the New Jersey State Contract WSCA #70262.

PURPOSE: To provide the Delaware River Port Authority with hardware and software maintenance in support of our critical systems such as Banner, Computer Aided Dispatch, Fleet, Toll and data security.

BACKGROUND: In order to increase performance and availability of our critical applications and servers it is necessary to enter into an agreement with HP. This agreement provides the DRPA with comprehensive, consistent hardware and software services. It allows us to work with HP services engineers to deliver onsite hardware support and over-the-phone software support around the clock 365 days per year. With these services we improve our systems uptime with responsive hardware and software services with a 24x7 availability. Other services include the following:

- Service-level management – includes assigned account manager with planning meetings, quarterly reviews and technical service engagements
- Availability management – system health check assessments
- Configuration, change and release management – semi-annual patch analysis and management and firmware update recommendations
- Incident and problem management
SUMMARY STATEMENT
