ITEM NO.: DRPA-15-103
SUBJECT: Camera & Call Box Maintenance Agreement

COMMITTEE: Finance

COMMITTEE MEETING DATE: August 12, 2015
BOARD ACTION DATE: August 19, 2015

PROPOSAL: That the Board authorizes staff to negotiate a 1 year contract with Schneider Electric, Loves Park, IL for an amount not to exceed $181,239.00 for the renewal of our camera and call box maintenance agreement. This purchase is provided with GSA pricing under GSA Contract # GS-07F-7851C.

PURPOSE: To provide the Delaware River Port Authority with preventive maintenance and system/equipment repairs for all Authority cameras and call boxes.

BACKGROUND: Several years ago the Authority made a decision to improve the security of their fixed assets while at the same time improving the safety of the travelling public on those assets. To accomplish this cameras and call boxes were installed. In order to maintain those devices it is necessary to engage in a program of preventive maintenance for both the hardware and software components of the system. This agreement provides the DRPA with comprehensive, consistent hardware and software services. It allows us to work with Schneider Electric staff to deliver onsite hardware and software support. With these services we improve our camera and call box up-time with responsive hardware and software services with a 24x7 availability. Other services include the following:

- On-site visits at each facility several times a year to verify functionality
- DVTEL software upgrades
- Camera and call box firmware upgrades
- Connectivity testing
- Incident and problem management
