SUMMARY STATEMENT

ITEM NO: DRPA-15-111

SUBJECT: Age 65 & Over Retiree Medicare Part D Prescription Benefit – 2016 (DRPA/PATCO)

COMMITTEE: Finance

COMMITTEE DATE: September 9, 2015

BOARD DATE: September 16, 2015

PROPOSAL: The current Medicare Part D prescription drug carrier for DRPA/PATCO retirees who are 65 and over and their eligible dependents (Medicare-eligible retirees and Medicare-eligible dependents) is Horizon Blue Group Rx.

Staff seeks authorization to accept the renewal from Horizon for plan year 2016.

PURPOSE: To continue to provide a quality and enhanced Medicare Part D Prescription Drug benefit plan for DRPA/PATCO Medicare-eligible retirees and Medicare-eligible dependents

BACKGROUND: Historically, the DRPA/PATCO has provided a comprehensive benefits package to its retirees, and their eligible dependents. Traditionally, the benefit package has included medical and prescription drug coverage.

In plan year 2015, the premiums for this group of retirees were either $86.39 (for retirees who qualify for the Low Income Subsidy) or $117.09, this was an increase of +4% from prior year. The 2016 renewal rates have decreased 2.8% (or -7.9% for retirees who qualify for the Low Income Subsidy) that resulted in premiums that are either $79.72 (for retirees who qualify for the Low Income Subsidy) or $113.82.

Horizon’s Medicare Part D Prescription Drug Plan, provides: (1) an initial coverage limit (ICL) of $4,500; (2) generic drugs are not mandatory; (3) an open formulary with no exclusions, if medically necessary; (4) certain lifestyle drugs, cough and cold products, benzodiazepines, etc. are included in the formulary); (5) national coverage, at one rate for retirees and their dependents, is charged, as opposed to rates that vary by state; (6) the coverage gap (or the “donut hole”) is filled with generic drugs and 50% discount on the total cost of their brand name drugs in the gap; and (7) mail order benefit remains at a two-time co-pay for a 90-day supply.

The current ICL is important because once a retiree’s actual drug costs reach $4,500 the retiree is in the coverage gap (“donut hole”) and then responsible for paying 50% of the true cost of brand name drug. Under the current plan with Horizon, co-pays for generic drugs continue during
the coverage gap. Once a retiree gets to the $4,500 OOP the retiree is at the catastrophic coverage level (greater of 5% co-insurance or $2.65/generics and $6.60 for all other drugs).

The co-pays for the Horizon Enhanced Plan remain:
- $10 – generic
- $20 – brand
- $35 – non-formulary

Mandatory benefit changes taking place as of 1/1/2016 are as follows:

Part D (Rx) catastrophic level copay changes from $2.65 to $2.95 for Generic drugs and from $6.60 to $7.40 for Brand drugs. The catastrophic level begins once/if a member reaches $4,850 out of pocket maximum. (this out of pocket maximum changed from the 2015 amount of $4,700).

Specialty drugs can be filled only at specialty or retail stores in 2016 (not at a mail order facility) for only 30 days.

The estimated annual premium for 2016 for the Horizon Medicare Part D Prescription Plan will be approximately $836,322, which is an estimated decrease of $23,819 (an approximate -2.8% decrease, depending on the retiree’s premium).

Summary: Amount: Estimated annual premium: $836,322; In plan year 2016, the projected premiums for this group of retirees will be either $79.72 (for retirees who qualify for the Low Income Subsidy) or $113.82. (Note – This covers both DRPA and PATCO. This annual rate is based upon our current DRPA/PATCO census of retirees who are 65 & over and their eligible dependents who are 65 and over, but is subject to change as our census of eligible retirees and eligible dependents changes.)
