SUMMARY STATEMENT

ITEM NO.: DRPA-15-148

SUBJECT: ShotSpotters, Inc. Sensor Installation at the Currently Vacant DRPA Police Training Building Near The Walt Whitman Bridge

COMMITTEE: Operations & Maintenance

COMMITTEE MEETING DATE: December 3, 2015

BOARD MEETING DATE: December 9, 2015

PROPOSAL: The Board has previously authorized a 10-year License Agreement for the placement of a “ShotSpotter” sensor at 511 N. 5th Street in Camden, NJ (DRPA 12-067). The DRPA has received a request to install one more sensor to monitor the Fairview neighborhood. The Board is asked to authorize staff to negotiate an Addendum to the original License Agreement with ShotSpotter, Inc., Mountain View, CA for the installation of a ShotSpotter sensor on the roof of the building previously used for DRPA police training. This building is a single-story brick building with a double-bay garage, small office and bathroom located near the intersection of Collings Avenue and Kearsarge Road. This building is positioned between the entrance and exit ramps connecting Route 168 (Black Horse Pike) and Route 130 at the eastern end of the Walt Whitman Bridge adjacent to the Fairview neighborhood of the City of Camden.

Amount: A sum not to exceed the amount of $1.00 per month shall be allocated to provide for the cost of any electricity to be utilized at this site during the term of the agreement.

SUMMARY STATEMENT
ShotSpotters, Inc. Sensor
Installation at the Currently Vacant
DRPA Police Training Building Near
The Walt Whitman Bridge

PURPOSE:
To enhance the ability of law enforcement in the Fairview section of Camden, NJ area to provide a safe and secure environment for DRPA employees and the general public. The ShotSpotter project provides a sensor that aids law enforcement to be aware of gun related activity in the area. This sensor is part of an alarm system which will assist law enforcement to more effectively respond to gun related incidents and contribute to neighborhood safety in Fairview.

BACKGROUND:
ShotSpotter, Inc., in coordination with the Camden County Police Department, would like to place an electronic audio sensor at a location in addition to the one located at 511 N. 5th Street in Camden, NJ. It will be placed at the previously used, and currently vacant, DRPA Police Training facility located near the intersection of Collings Avenue and Kearsarge Road adjacent to the Fairview neighborhood in the City of Camden.

RESOLUTION

RESOLVED: That the Board authorizes the proper officers of the Delaware River Port Authority to negotiate an Addendum to the contract dated September 25, 2012, to install and maintain a wireless sensor, through ShotSpotter, Inc. of Mountain View, CA. There will be no cost to the DRPA for installation or maintenance of the device. The device will be mounted on the currently vacant DRPA Police Training Building located at the intersection of Collings Avenue and Kearsarge Road, Camden, NJ. This license will expire on September 25, 2022 unless otherwise extended at the sole discretion of DRPA; and be it further

RESOLVED: That the Board authorizes the DRPA to pay for the cost of electricity to operate the device while in use on DRPA property. This cost is estimated to be less than $1.00 per month.

RESOLVED: The Chair, Vice Chair and the Chief Executive Officer must approve and are hereby authorized to approve and execute all necessary agreements, contracts, or other documents on behalf of the DRPA. If such agreements, contracts, or other documents have been approved by the Chair, Vice Chair and Chief Executive Officer and if thereafter either the Chair or Vice Chair is absent or unavailable, the remaining Officer may execute the said document(s) on behalf of DRPA along with the Chief Executive Officer. If both the Chair and Vice Chair are absent and/or unavailable and if it is necessary to execute the said document(s) while they are absent or unavailable, then the Chief Executive Officer shall execute such documents on behalf of the DRPA.
