COMMITTEE MEETING DATE:

September 14, 2016

BOARD ACTION DATE:

September 21, 2016

PROPOSAL: That the Board authorizes staff to bind the renewal of the DRPA Excess Workers' Compensation insurance policy. This policy is placed by our Broker/Consultant, Turner Surety & Insurance Brokerage (TSIB).

Pursuant to DRPA-15-062, TSIB is paid a fixed annual service fee not-to-exceed \$141,000 payable in quarterly installments. Pursuant to the terms of the Broker/Consultant Service Agreement, TSIB understands that no commissions shall be paid on any insurance policies placed on DRPA's behalf. Therefore, the proposed policy premium is net of commission.

TSIB marketed the DRPA's Excess Workers' Compensation insurance policy to several insurance companies to secure the most competitive premium.

TSIB marketed the coverage to the following carriers:

- Safety National Casualty Corp - Quoted \$138,523 (incumbent)
- Arch - Declined, due to DRPA exposures
- ACE - Declined, did not fit appetite guidelines

PURPOSE: The Excess Workers' Compensation policy is designed to provide statutory benefits to DRPA's employees in Pennsylvania and New Jersey who are injured or become ill within the scope of their employment. The policy reduces DRPA's exposure to loss from catastrophic incidents in excess of the \$1 million Self-Insured Retention for each accident.

BACKGROUND: All Workers' Compensation claims at DRPA are self-insured up to the first \$1 million. Claims that exceed \$1 million are payable under DRPA's Excess Workers' Compensation & Employers' Liability insurance policy by the insurance company. The Excess Workers' Compensation policy provides coverage for DRPA employees who work in our NJ and PA facilities. The policy provides a specific loss limit of \$25 million each accident, plus a \$1 million Employers' Liability Limit, both subject to a \$1 million self-insured retention. DRPA's current Excess Workers' Compensation & Employers' Liability Policy will expire December 31, 2016.

The current premium for the \$25,000,000 per occurrence maximum limit of indemnity for the policy term 12/31/2015-12/31/2016 is \$135,144 (including TRIA) based upon a total payroll of \$38,284,486. The policy is auditable upon expiration.

Safety National initially proposed a 5-7% pure rate increase. As payroll projections for 2017 were not available during the renewal process, the quote is based upon the 12/31/2015 -12/31/2016 policy term payrolls of \$38,284,486 with a 2.5 % increase for the renewal term, or an estimated payroll totaling \$39,241,598. TSIB reviewed the loss history with Safety National and pointed out there has never been a loss paid under this program. As a result, TSIB requested a re-evaluation of the rate increase. Safety National revised their proposed renewal quotation for the 12/31/2016 to 12/31/2017 policy term. The increase in premium of \$3,379 or 1.025% is the result of increase in payroll exposure.

Safety National proposed the following renewal quotation:

- **FLAT, with the same policy terms and conditions with a rate of \$0.353 per \$100 of payroll, subject to an annual estimated premium of premium of \$138,523; auditable upon expiration.**

The quotation is subject to the following:

- 1) **Renewal quote is subject to receipt and underwriting review of updated loss information (valued within 90 days of effective date) to be received prior to or upon binding coverage (TSIB will obtain directly from the Authority's TPA).**

TSIB recommends that staff accept the renewal option offered by the incumbent, Safety National Casualty Corporation, for the policy term 12/31/2016-12/31/2017, at an estimated annual premium of \$138,523 (including TRIA), net of commission, based on an annual estimated payroll of \$39,241,598 (which is the 12/31/15-12/31/16 policy payroll figure increased by 2.5%) and net of commission. This policy is auditable upon expiration.

SUMMARY:	Amount:	Approximately \$138,523 (including TRIA), Net of commission and subject to payroll audit upon expiration, which may result in a return premium or an additional premium due.
