SUMMARY STATEMENT

ITEM NO.: DRPA-18-065

SUBJECT: Service/Maintenance Contract and Emergency Repairs for Three (3) Maintenance Platforms at the BFB

COMMITTEE:

Operations and Maintenance

COMMITTEE MEETING DATE:

June 12, 2018

BOARD ACTION DATE:

June 20, 2018

PROPOSAL: That the Board authorizes staff to negotiate a contract with American Crane & Equipment Corporation, to perform service/maintenance and emergency repairs for three (3) maintenance platforms at the Benjamin Franklin Bridge for a period of two (2) year initial term plus an additional one (1) year option term in the amount of $75,600.00 for maintenance and a not-to-exceed amount of $37,500.00 set aside by the DRPA for emergency services for a total amount of $113,100.00.

Amount: $113,100.00

Contractor: American Crane & Equipment Corporation
            Douglassville, Pennsylvania

PURPOSE: To perform service/maintenance and emergency repairs for three (3) moveable maintenance platforms located beneath the roadway deck of the Benjamin Franklin Bridge on a scheduled basis.

BACKGROUND: The moveable maintenance platforms are an integral part of the BFB Facility maintenance programs. The underdeck maintenance platforms were originally installed in the early 1980’s and have been used through the years for underdeck access for BFB biennial inspections, underdeck bridge steel repairs, servicing decorative and pier lighting, cameras and varied capital projects. In addition to limited in-house routine maintenance, DRPA over the years has retained an outside company to perform specific service/maintenance and as needed emergency repairs for the three (3) maintenance platforms at the Benjamin Franklin Bridge on a scheduled basis.

Invitation for bid was publicly advertised on DRPA’s website on May 1, 2018. Bid documents were mailed to thirteen (13) bidders. Three (3) bids were received on May 30, 2018 and are listed below:

Staff has evaluated the lone bid and determined the bid to be reasonable. Due to the specialized nature of under bridge platforms and limited availability of qualified contractors who perform such specialty work, staff is recommending acceptance of the bid and that the contract be awarded to American Crane & Equipment Corp.

It is recommended that a two (2) year initial term plus an additional one (1) year option term contract be awarded for a Service/Maintenance Contract and Emergency Repairs for Three (3) Maintenance Platforms at the Benjamin Franklin Bridge to American Crane & Equipment Corporation, in the amount of $113,100.00.

RESOLUTION

RESOLVED: That the Board authorize staff to negotiate a contract with American Crane & Equipment Corporation, to perform service/maintenance and emergency repairs for three (3) maintenance platforms at the Benjamin Franklin Bridge for a period of two (2) year initial term plus an additional one (1) year option term.

RESOLVED: The Chairman, Vice Chairman and the Chief Executive Officer approve and are hereby authorized to approve and execute all necessary agreements, contracts, or other documents on behalf of the DRPA. If such agreements, contracts, or other documents have been approved by the Chairman, Vice Chairman and Chief Executive Officer and if thereafter either the Chairman or Vice Chairman is absent or unavailable, the remaining Officer may execute the said document(s) on behalf of DRPA and PATCO along with the Chief Executive Officer. If both the Chairman and Vice Chairman are absent or unavailable, and if it is necessary to execute the said document(s) while they are absent or unavailable, then the Chief Executive Officer shall execute such documents on behalf of DRPA and PATCO.
