SUMMARY STATEMENT

ITEM NO.: DRPA-19-057

SUBJECT: Genetec Video Storage Expansion

COMMITTEE: Finance

COMMITTEE MEETING DATE: June 12, 2019

BOARD ACTION DATE: June 19, 2019

PROPOSAL: That the Board authorizes staff to negotiate a contract with ePlus Technology, Inc. for an amount not to exceed $139,134.35 for purchase of additional storage capacity for the Authority’s traffic and security video. This purchase is provided with PA COSTARS 3 Hardware contract.

PURPOSE: To provide the Delaware River Port Authority with additional storage capacity for the Authority’s video.

BACKGROUND: Since the inception of camera video at the Authority for the security and safety of the travelling public, the retention of that video was set at fourteen (14) days. Recent changes in the state laws of both New Jersey and Pennsylvania have mandated that the Authority change its retention policy for stored video to thirty-one (31) days. In order to satisfy this new requirement, it is necessary to expand the current storage capacity. This project will provide that increase as well as establish an infrastructure to provide for future expansion should that ever become necessary.

Staff therefore recommends negotiating a contract with ePlus Technology, Inc. for an amount not to exceed $139,134.35 for purchase of additional storage capacity for the Authority’s traffic and security video.
