Other Bidders:    Mount Construction Co., Inc. AF: 1.1931
IEW Construction Group AF: 11.7

Engineers Estimate: $5,000,000.00

MBE/WBE Goals: MBE: 8%
WBE: 4%

PURPOSE: To implement the Authority Job Order Contracting Services (JOC) program and award an on-call construction contracting services agreements for the Northern Bridges. The award of this contract will allow the Authority to commence using Job Order Contracting as part of its capital improvement program.

BACKGROUND: By Resolution Number DRPA-18-032, the Authority authorized the award of a contract to the Gordian Group to support the Authority in creating its own Job Order Contracting program which allows the Authority to perform construction services to advance the Capital Program. Job Order Contracting has been implemented successfully by local Departments of Transportation. The program would be managed by Gordian for a negotiated fee based on a percentage of the project cost.
Job Order Contracting ("JOC") offers many benefits to project Owners such as the reduction of procurement time, budget predictability, competitive pricing and decreased costs, increased quality of work and performance, improved schedule and budget performance, and satisfied competitive bidding requirements. Work assigned under the Job Order Contracts would be on a task or Job Order basis and would involve relatively smaller, more routine, projects. Construction for larger projects will continue to be retained through the normal contractor selection process.

The project was publicly advertised and bid documents were offered to the public beginning on January 24, 2020 with a bid opening date of March 3, 2020. Nine (9) sets of documents were distributed. A total of three (3) bids were received. The low responsive and responsible bid was submitted by A.P. Construction, Inc. with the Adjustment Factor of 1.173.

Staff has completed the evaluation of bids, with support from the Gordian Group, and recommends that the contract be awarded to A.P. Construction, Inc. (with an Adjustment Factor of 1.173) in the amount of $5,000,000.00 as the low responsive and responsible bidder.
