PURPOSE: To adopt a resolution authorizing staff to negotiate a contract with Northeast Communications Group, Inc. to hardwire security cameras, emergency call boxes and parking lot fare gates at Woodcrest Station. This work will be under GSA Schedule No. GS-35F-475BA pricing.

BACKGROUND: Currently, the security cameras, emergency call boxes and parking lot gates communicate via Wi-Fi to the Authority’s network. Hardwiring provides significantly more secure communications than Wi-Fi and is a substantial improvement in reliability for the safety and security of our customers.

The parking lot gates currently have dedicated power; however, the security cameras and emergency call boxes are powered by rechargeable batteries, which are recharged at night when the parking lot lights are illuminated. The work involves hardwire connection to thirteen (13) parking lot gates and twelve (12) emergency call boxes. Approximately 4200 feet of conduit will be installed from inside the station electrical room to these locations, which will require 2000 feet of trenching in the parking lots and 1500 feet of directional boring. Paving and the concrete sidewalk and curbs that are impacted by trenching will be replaced.

Utilizing Northeast Communications Group, Inc., this project will address all of the above deficiencies and provide the necessary
communications and power requirements for the existing security cameras, emergency call boxes and parking lot fare gates.

RESOLUTION

RESOLVED: That the Board of Commissioners of the Port Authority Transit Corporation authorizes staff to negotiate a contract with Northeast Communications Group, Inc. to hardwire security cameras, emergency call boxes and parking lot fare gates at Woodcrest Station not to exceed $941,000.00; and be it further

RESOLVED: That the Chairman, Vice Chairman and the President must approve and are hereby authorized to approve and execute all necessary agreements, contracts or other documents on behalf of PATCO. If such agreements, contracts, or other documents have been approved by the Chairman, Vice Chairman and President and if thereafter either the Chairman or Vice Chairman is absent or unavailable, the remaining Officer may execute the said document(s) on half of PATCO along with the President. If both the Chairman and Vice Chairman are absent or unavailable, and if it is necessary to execute the said document(s) while they are absent or unavailable, then the President shall execute such documents on half of PATCO.
