

**SUMMARY STATEMENT**

**ITEM NO.: PATCO-16-021**

**SUBJECT: Procurement of New Escalator Step Chain for Lindenwold Escalator**

**COMMITTEE:**

**Operations & Maintenance**

**COMMITTEE MEETING DATE:**

**September 13, 2016**

**BOARD ACTION DATE:**

**September 21, 2016**

**PROPOSAL:** That the Board authorizes staff to negotiate a contract with Fujitec America, Inc. for the procurement and delivery of a step chain assembly for the Lindenwold escalator.

**Amount:** \$145,000.00

**Consultant:** Fujitec America, Inc.  
7258 Innovation Way  
Mason, OH 45040

**PURPOSE:** To replace the step chain assembly on the Lindenwold escalator.

**BACKGROUND:** The Lindenwold escalator was procured, fabricated and installed in 2003. The step chain links individual steps that move up or down on tracks allowing the step treads to remain horizontal. The existing step chain is nearing the end of its useful life and requires replacement. This will be the first phase of an annual preventive maintenance project to replace the step chains on the ten (10) Fujitec escalators installed between 2003 and 2004.

The Lindenwold escalator was designed and fabricated by Fujitec, and as such, Fujitec is the OEM supplier and only source for major component replacement parts. Staff have received and evaluated Fujitec's proposal to supply a replacement step chain and have determined that it is fair and reasonable.

The replacement step chain will be installed by SEPTA, under the provisions of our escalator and elevator maintenance contract.
