COMMITTEE MEETING DATE:

BOARD ACTION DATE:

September 21, 2016

PROPOSAL: That the Board authorizes staff to bind the renewal of the PATCO Excess Workers' Compensation insurance policy. This policy is placed by our Broker/Consultant, Turner Surety & Insurance Brokerage (TSIB).

Pursuant to DRPA-15-062, TSIB is paid a fixed annual service fee not-to-exceed \$141,000 payable in quarterly installments. Pursuant to the terms of the Broker/Consultant Service Agreement, TSIB understands that no commissions shall be paid on any insurance policies placed on DRPA's behalf. Therefore, the proposed policy premium is net of commission.

TSIB marketed the PATCO Excess Workers' Compensation insurance policy to several insurance companies to secure the most competitive premium.

TSIB marketed the coverage to the following carriers:

- Safety National Casualty Corp - quoted \$125,062 (incumbent)
- Arch - declined due to PATCO exposures
- ACE - declined, did not fit appetite guidelines

PURPOSE: Major accidents or illnesses during the scope of employment can result in substantial medical bills and this policy provides statutory benefits for PATCO employees who work in Pennsylvania and New Jersey. The Excess Workers' Compensation policy is designed to reduce the Authority's exposure for catastrophic incidents excess of the \$1 million Self-Insured Retention each accident.

BACKGROUND: Pursuant to PATCO-15-030, the Board authorized staff to renew the PATCO Excess Workers' Compensation & Employers' Liability Policy effective December 31, 2015 to December 31, 2016. The PATCO Excess Workers' Compensation policy provides coverage for PATCO employees working in PA and NJ. All PATCO Workers' Compensation claims are self-insured up to the first \$1 million. Claims that exceed \$1 million are payable by the insurance company under the PATCO Excess Workers' Compensation & Employers' Liability insurance policy. The policy provides a specific loss limit of \$25 million each accident, plus a \$1 million Employers' Liability Limit, both subject to a \$1 million self-insured retention. The current PATCO Excess Workers' Compensation & Employers' Liability Policy will expire December 31, 2016.

The current premium for the \$25,000,000 per occurrence maximum limit of indemnity for the policy term 12/31/2015-12/31/2016 is \$122,012 (including TRIA) based upon a total payroll of \$19,244,817. The policy is auditable upon expiration.

Safety National initially proposed a 5-7% pure rate increase. As payroll projections for 2017 were not available during the renewal process, the quote is based upon the 12/31/2015 -12/31/2016 policy term payrolls of \$19,244,817 with a 2.5 % increase for the renewal term, or an estimated payroll totaling \$19,725,938. TSIB reviewed the loss history with Safety National and pointed out there has never been a loss paid under this program. As a result, TSIB requested a re-evaluation of the rate increase. Safety National revised their proposed renewal quotation for the 12/31/2016 to 12/31/2017 policy term. The increase in premium of \$3,050 or 1.025% is the result of an increase in payroll.

Safety National proposed the following renewal quotation:

- **FLAT, with the same policy terms and conditions with a rate of \$0.634 per \$100 of payroll, subject to an annual estimated premium of premium of \$125,062; auditable upon expiration**

The quotation is subject to the following:

- 1) **Renewal quote is subject to receipt and underwriting review of updated loss information (valued within 90 days of effective date) to be received prior to or upon binding coverage (TSIB will obtain directly from the Authority's TPA).**

TSIB recommends that staff accept the renewal quote offered by the incumbent, Safety National Casualty Corporation, for the policy term 12/31/2016-12/31/2017, at an estimated annual premium of \$125,062 (including TRIA) based on an annual estimated payroll of \$19,725,938 (which is the 12/31/15-12/31/16 policy payroll figure increased by 2.5%) and net of commission. This policy is auditable upon expiration.
