

SUMMARY STATEMENT

ITEM NO.: PATCO-17-017

SUBJECT: PATCO Automotive Shop
and Annex Building Access Control

COMMITTEE:

Operations & Maintenance

COMMITTEE MEETING DATE:

June 6, 2017

BOARD ACTION DATE:

June 21, 2017

PROPOSAL: That the Board authorizes staff to enter into a contract with SimplexGrinnell, not to exceed \$370,031.24, to integrate an access control system into PATCO's Automotive Shop and Annex Building. This contract is provided with GSA pricing under GSA Contract #GS-07F-0396M.

Amount: Up to \$370,031.24

Consultants: SimplexGrinnell LP
283 Gibraltar Road
Horsham, PA 19044

PURPOSE: To adopt a resolution authorizing staff to negotiate a contract with SimplexGrinnell LP to provide integrated, electronic access control to critical areas of PATCO's Automotive Shop and Annex Building.

BACKGROUND: Starting in 2014, SimplexGrinnell installed an access control system throughout much of PATCO's critical infrastructure. Since its inception, PATCO has continually expanded on the initial access control investment. Today all electrical substations, communication nodes, computer LAN rooms, pump rooms and key facilities have been upgraded with the access control system to prevent unauthorized entry. The only two remaining facilities not protected with the access control system are PATCO's Automotive Shop and the recently constructed Annex Building.

This access control project system will install access readers on select doors on both buildings and will allow access only to individuals who are authorized in those respective areas. The access control system is monitored full time and provides real-time access information for all PATCO locations. This concerted critical security effort/enhancement, when combined with previous transit security projects along with operational implemented techniques already in place, will mitigate risk and vulnerability assessment with respect to an unauthorized entry into critical infrastructure.

The project is funded through a 2016 Transit Security Grant Program grant at 100%.

SUMMARY:	Amount:	Not to exceed \$370,031.24
	Source of Funding:	2016 TSGP Grant
	Operating Budget:	N/A
	Capital Project #:	PTD.31707
	Master Plan Status:	N/A
	Other Fund Sources:	N/A
	Duration of Contract:	Two (2) months
	Other Parties Involved:	N/A

Board Date: June 21, 2017

PATCO Automotive Shop and Annex Building Access Control

RESOLUTION

RESOLVED: That the Board of Commissioners of the Port Authority Transit Corporation authorizes staff to negotiate a contract with SimplexGrinnell LP to integrate an access control system into PATCO's Automotive Shop and Annex Building in an amount not to exceed \$370,031.24; as per the attached Summary Statement; and be it further

RESOLVED: That the Chairman, Vice Chairman and the President must approve and are hereby authorized to approve and execute all necessary agreements, contracts or other documents on behalf of PATCO. If such agreements, contracts, or other documents have been approved by the Chairman, Vice Chairman and President and if thereafter either the Chairman or Vice Chairman is absent or unavailable, the remaining Officer may execute the said document(s) on behalf of PATCO along with the President. If both the Chairman and Vice Chairman are absent or unavailable, and if it is necessary to execute the said document(s) while they are absent or unavailable, then the President shall execute such documents on behalf of PATCO.
